Welcome to Roundin' Third.

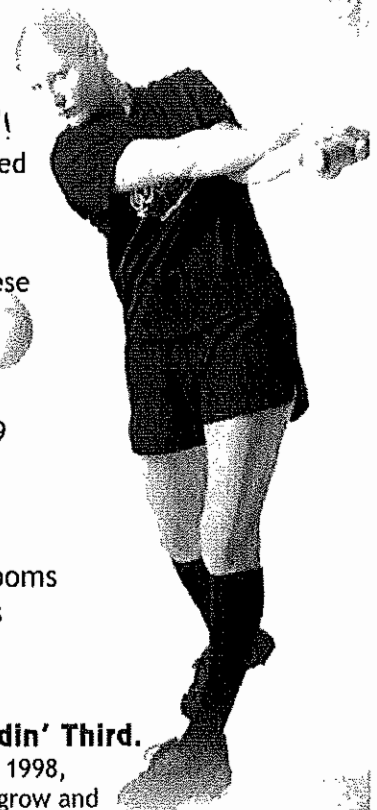

I came to Downtown Elmira in 1998,
committed and dedicated to grow and
be a part of a positive revitalization of a once
proud city. We knew what Downtown needed, so
we started our years of research and planning,
and are very proud of what we have created. We
always have management on-site for any concerns
or just to hear your input. It is our pleasure to
serve you. Please enjoy our fresh, quality food
in a great atmosphere. R3's staff will promise to
keep it simple: friendly service and tasty drinks
to compliment great food. For all of us who were
raised in this town, may we stay positive and
willing to bring promise back to Elmira.

Respectfully, Roundin' Third
